

## **Update on Implementation of Executive Order 14042, Ensuring Adequate Covid Safety Protocols for Federal Contractors**

The Government will take no action to enforce the clause implementing requirements of Executive Order 14042, absent further written notice from the agency, where the place of performance identified in the contract is in a U.S. state or outlying area subject to a court order prohibiting the application of requirements pursuant to the Executive Order (hereinafter, "Excluded State or Outlying Area"). In all other circumstances, the Government will enforce the clause, except for contractor employees who perform substantial work on or in connection with a covered contract in an Excluded State or Outlying Area, or in a covered contractor workplace located in an Excluded State or Outlying Area. A current list of such Excluded States and Outlying Areas is maintained at <https://www.saferfederalworkforce.gov/contractors/>.
